JAY MASALA AND FOOD PRODUCTS

'Clapping your eyes on a pinch of good spice' in your morning tea can prep up your day. India in its lush green is a flourishing land of authentic spices. Used in the sterling masala-chai to the well-publicized Mexican seasoning, Indian spices are used to brew and sizzle the most flavoursome vintage cuisines. Quality Indian spices are key to a culinary artist and finding the most distinguished Indian spice ingredients can be a tricky affair. Jay Masala, native to the spice-laden south-west region of the Indian Peninsula, has evolved as the most sought-after spice exporters in India, and have emerged as the most trusted name in the field of spice exporters. Jay Masala is the leading, second-to-none spices manufacturers in India, with an experience that goes beyond 25 years of catering to the requirements of world-class spices for their customers worldwide!

As global leaders in Indian spice production, Jay Masala brings to you a wide array of authentic Indian spices which are storehouses of potent natural metabolic boosters. Our appetizing and fully-flavoured spices are graded and processed with state-of-the-art technologies, packaged with hygienic and globally-accredited standards, and reach your doorstep and kitchen cabinets laden with flavour, quality, and science-backed benefits.

Jay food products that range from rice and wheat products such as 'Puttu', 'Idiyappam', and 'Palappam' (native to Kerala), that serve the local and the international crowd have gained popularity over the years, and are known to empty the local and international store racks in no time. Jay Instant foods like the instant 'puttu' flour, 'instant idly mix', 'instant dosa flour', and so on have a mounting demand each day. In conjunction with Jay spices, masalas, and instant foods, the brand also focusses on providing the best-quality oils by their fully-fledged in-house R&D Team of food and spice experts. The oils include coconut, sesame, groundnut, and mustard. Additionally, the brand has a specialist team crafting the finest oleoresins, spice oils, pickles, chutneys, jams, beverages, pulses, lentils, chips, snacks, and other general products.

Jay Spices and Food Products are known for their authenticity, flavour, and quality, which forms the three key foundation pillars!
